Chicka Chicka Boom Boom – Say It – Spell It – Write It

Supplies needed:

- White card stock
- Scissors
- Laminating sheets
- 1" lowercase alphabet
- Cookie sheet (1 per child)
- Dry eraser marker and eraser

Directions:

Print up Chicka Chicka Boom Boom Say It – Spell It – Write It template on white card stock.

The 4 sheets with the words Chicka Chicka Boom Boom at the top are the main sheets.

These main sheets will be printed and laminated. Word cards will be printed, trimmed and laminated.

To Use:

You will be able to have more than one child do this activity at the same time.

Children will have their choice of 41 words from the Chicka Chicka Boom Boom book. (Only a few of the cards have pictures).

You can leave activity in the writing center, but children will need help knowing what the words said. Children can write the word on the Chicka Chicka Boom Boom templates or write onto regular copy paper.

Ahead of time, place letters for each word card in a baggie. This will make it easier for children to spell words. Older children can look through a pile of assorted letters and spell.

Give each child a cookie sheet. (Check dollar store).

Place one of the Chicka Chicka Boom Boom sheets (that have been laminated), onto the cookie sheet. Let child pick a card they want to use.

Have child say the word. Point out to the child what letter it starts with, or for older children ask them what the word starts with.

Have them spell the word using the letters from the baggie. Last – have child write the word using a dry eraser marker. Erase and have them continue with another picture card. Great literacy activity to get them to say – spell and write the words.

CAP COUNTING ACTIVITY CARDS

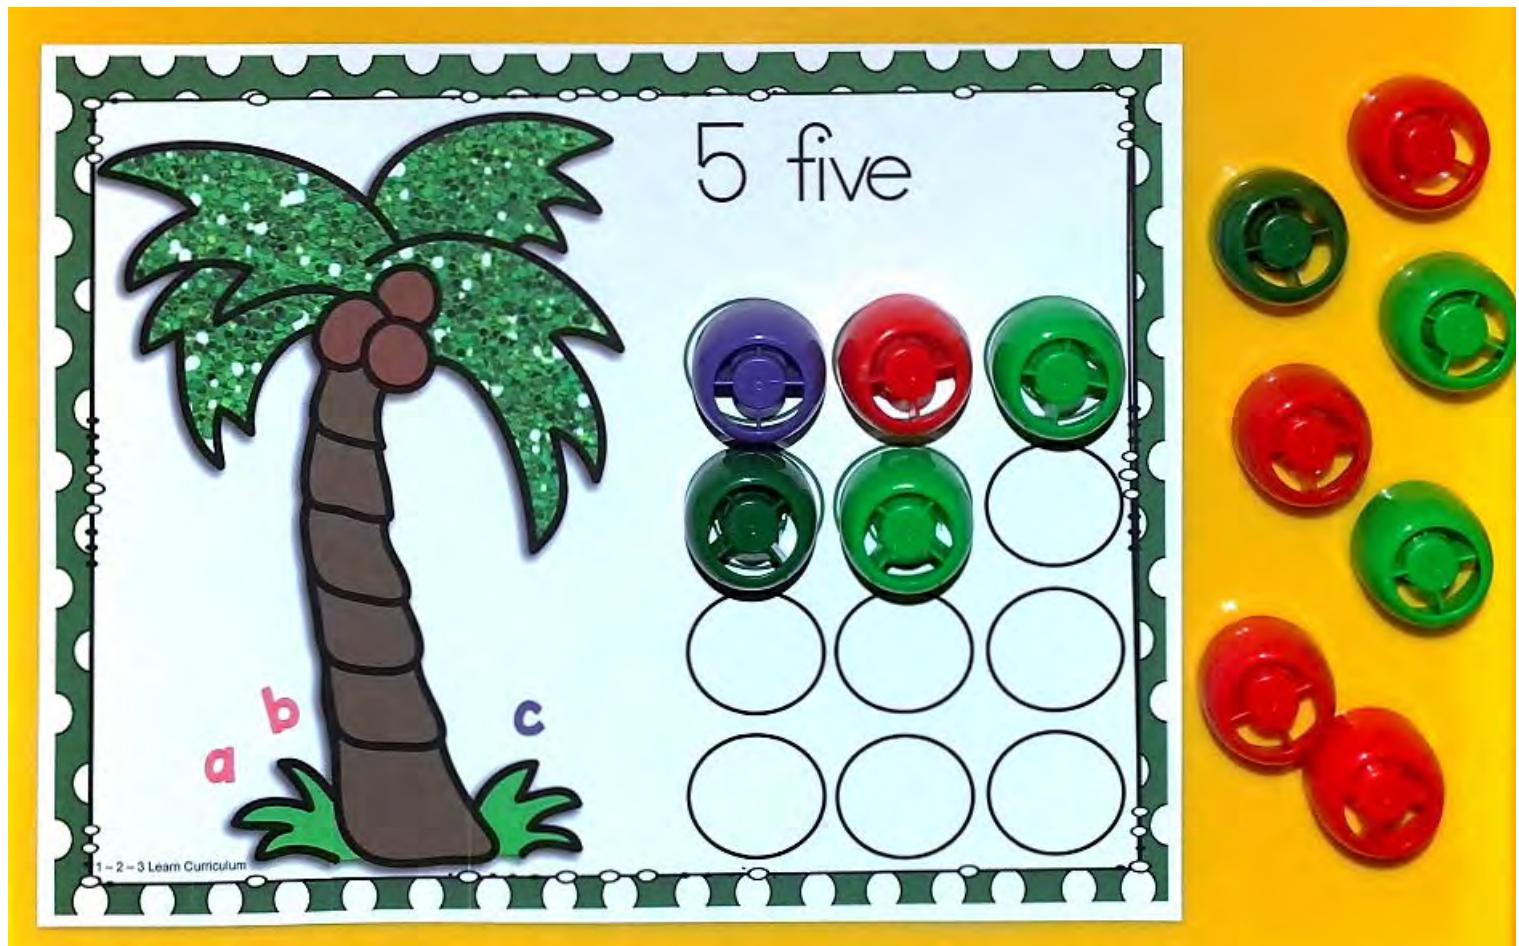

Have children place the number of caps, milk covers, pom poms or buttons in the circles to match the number on the cards.

- 2 different Card Templates
- Numbers 1- 20
- 3 Formats for Counting

BY
1 - 2 - 3 LEARN CURRICULUM

Chicka Chicka Boom Boom Cap Counting Activity Cards

This activity was designed using the caps off of Squeezable – Applesauce and Shine Organics pouches. You can also use milk covers, poms poms or play dough rolled up into balls.

Supplies needed:

- Number format. 1 – 10 or 1 – 20. There are 3 different card templates, so please look before printing to decide which template will work best with your group.
- Caps off of squeezable containers, gallon milk covers or other items for counting. Keep in mind the age of your children and choking hazards.
- Laminating sheets

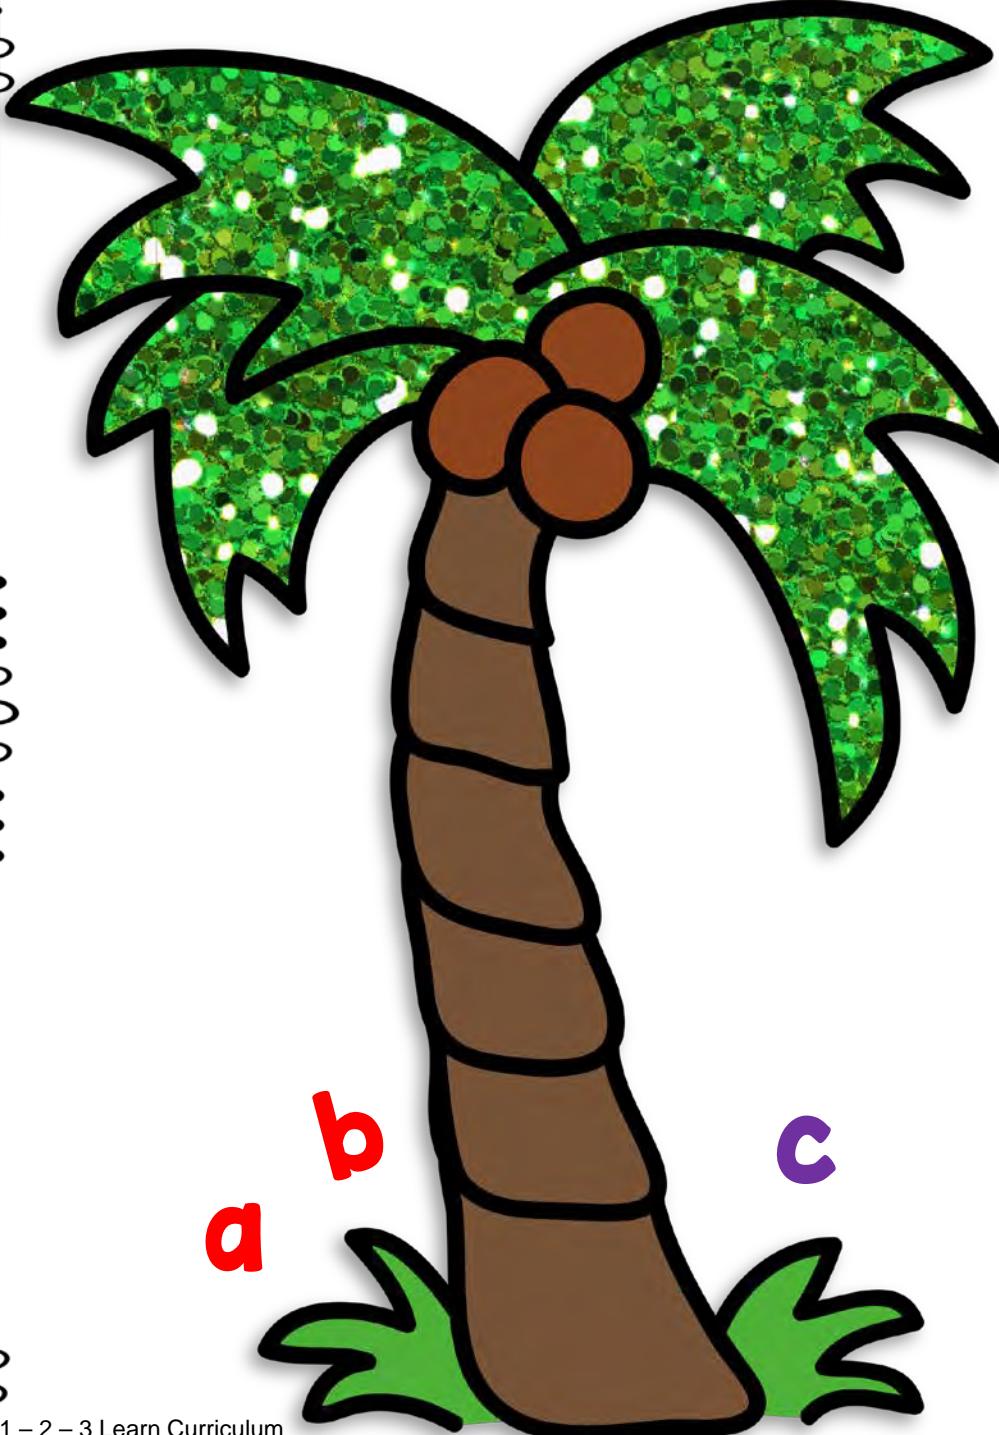

Directions:

- After printing up the templates you are going to use, laminate cards.
- Have children sit at table with a bowl or basket of the covers you are going to use.
- Start with the number 1. Ask child what the number is, and help them if needed. Count with them the number of caps you want to put on the card.
- You can also work in colors by asking child what color they would like to use, or ask them to pick a certain color to place on the card.
- You can do this as a group or one on one as a center activity.

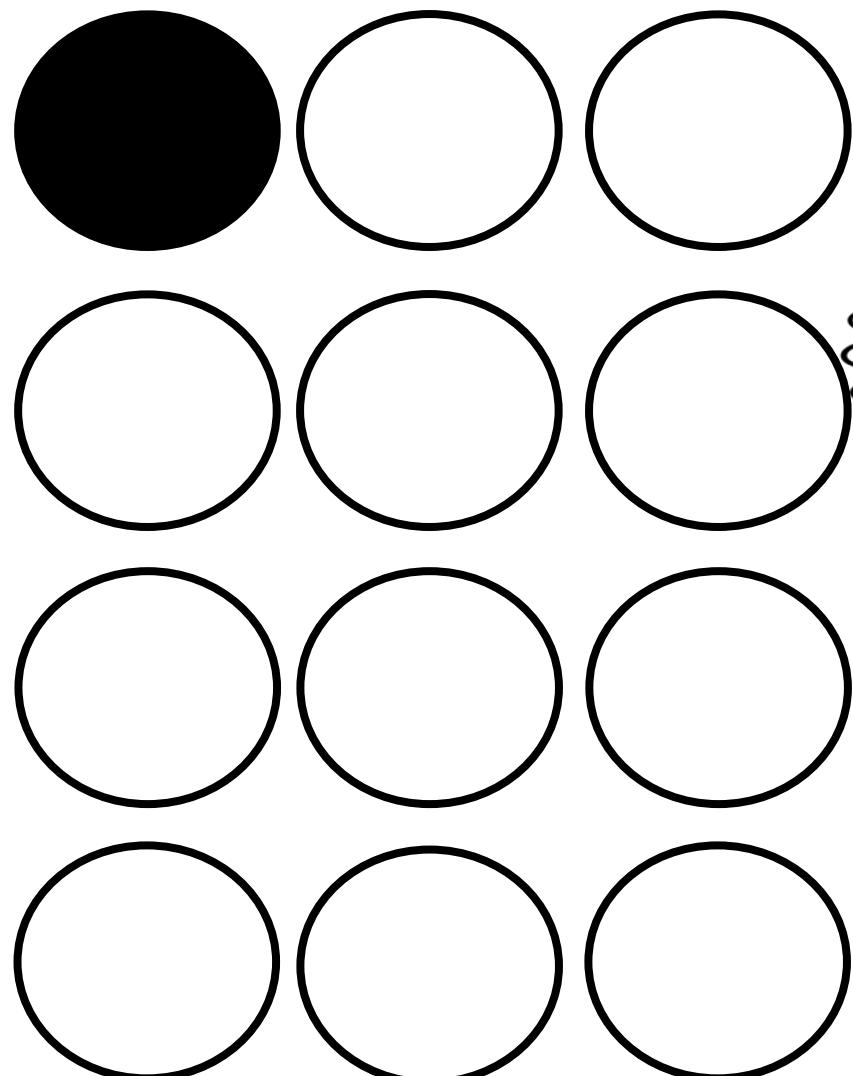

This Chicka Chicka Boom Boom counting caps activity cards include a black circle for each number on the cards.

Number 1 = 1 circle, number 2 = 2 circles and so on.
Use this template if you have younger children so they have a visual of the number of caps to put on each card.

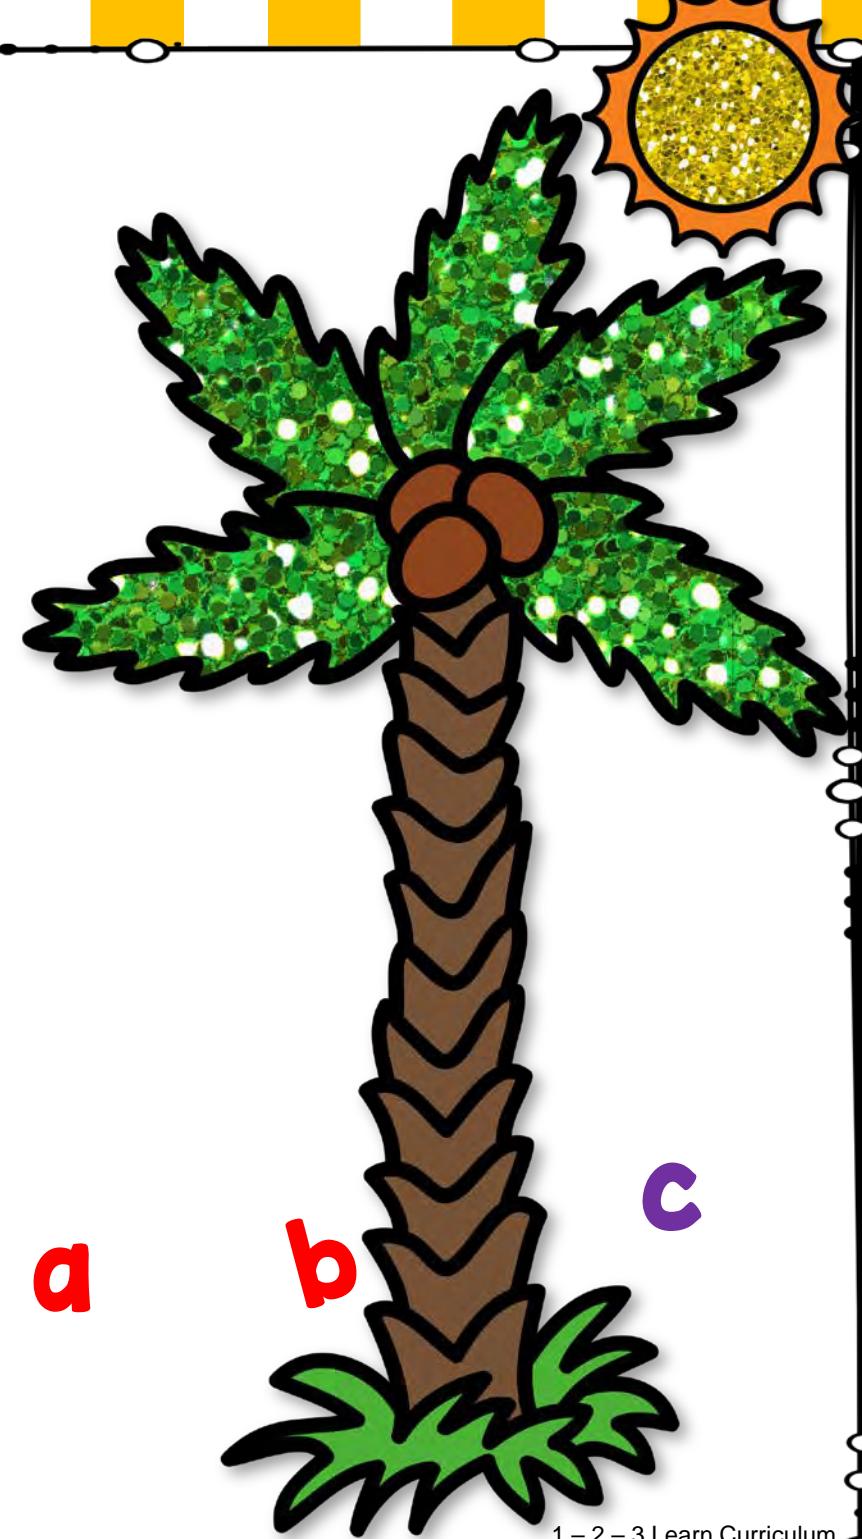

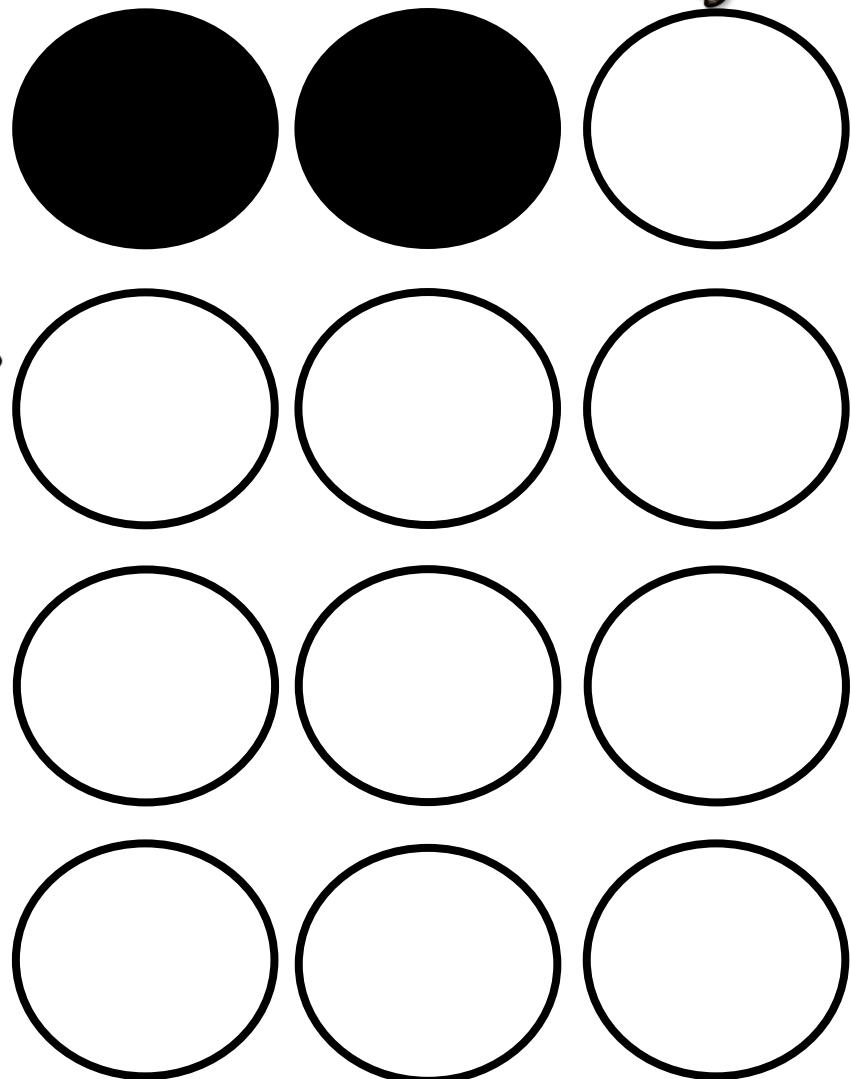

Count with them as they do this activity to reinforce number counting.

Instructions for Making File Folder Game

File folder games are very easy to make and can be used over and over again. It is best to print sheets up on white card stock. This will make the file folder game more durable.

It also is a good idea to cover the file folder game with clear contact paper or self laminating sheets.

You will need to have empty file folders. You can get these at most stores in the office supply section. They will carry either plain or colored file folders.

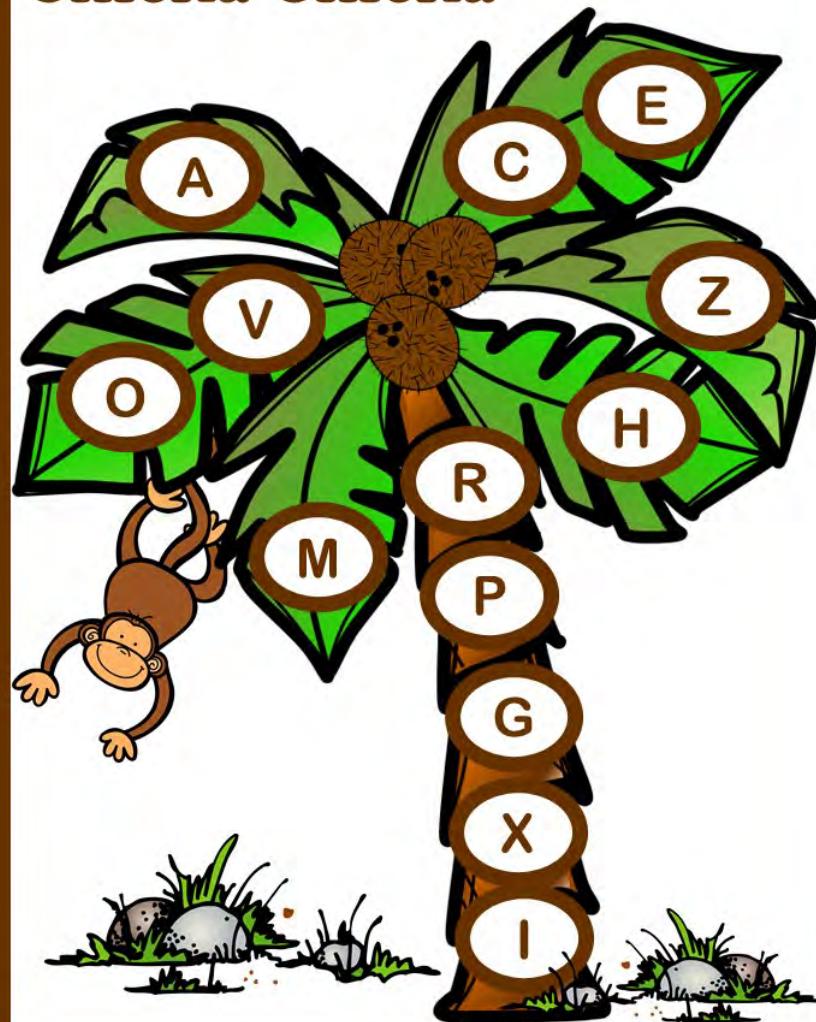

After you print up the sheets, trim and laminate the game pieces, attached the full size sheets into the file folder. You Wil be using the inside – both sides for this file folder game. There is also a title, directions and graphic for the front of this file folder game. Attach the pieces with either double sided tape or glue. (I prefer double sided tape – which can be purchased at either a scrapbook store or the scrapbook section of most stores). Cover with clear contact paper or self laminating sheet.

Where applicable, use Velcro to keep the pieces in place.
Use a zip lock baggie to store the game pieces when not in use and store inside the file folder game.

Name Templates

Print up on white card stock. You can use for table labels. This helps the children recognize their own names and the names of their friends and gives them their own “special” place to sit during meal and art time.

Use as templates for having the children practice writing their names. Print the child’s name on a template and hang from the ceiling. Have the children’s name in different areas for them to recognize.

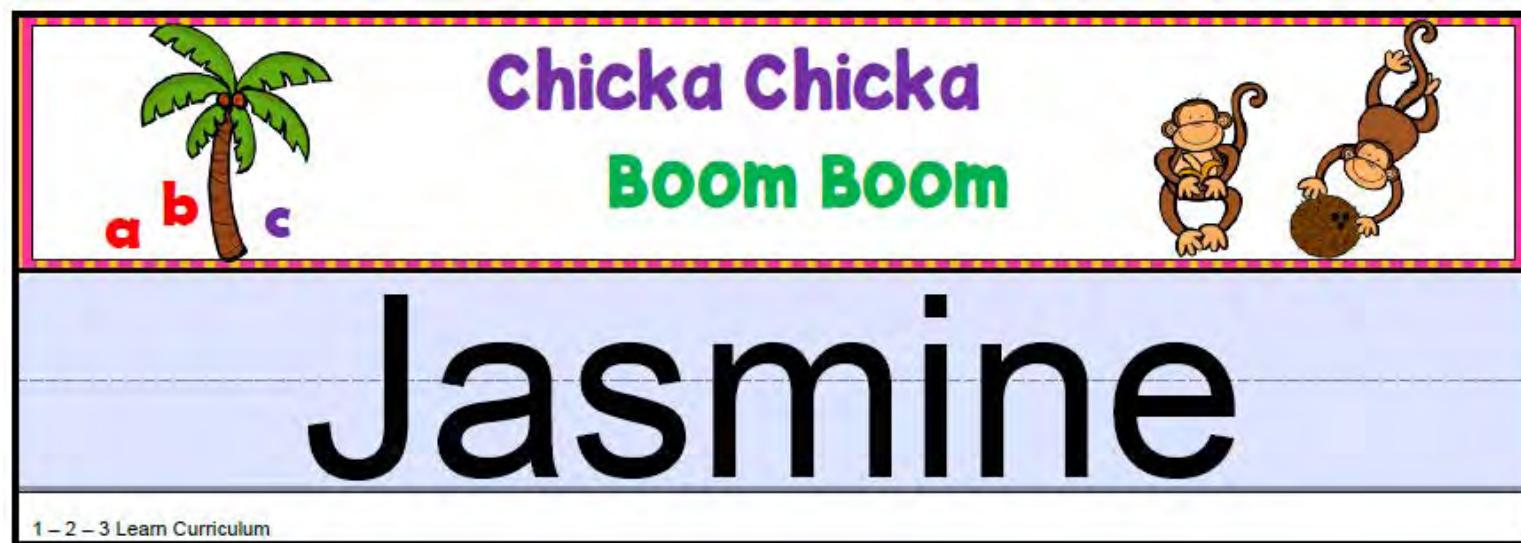

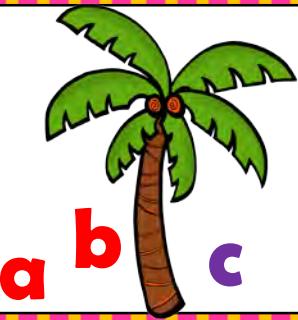

Chicka Chicka Boom Boom Name Template

The following page has boxes that you can type directly onto and print. Just click on the blue boxes and type names and print.

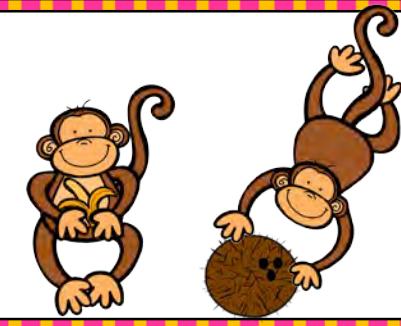

Blue boxes will not show up when you print.

2nd option: print up and write names directly onto the sheet.
(Forms cannot be saved, so make sure you have time to fill them out completely before you print up).

The following 2 sheets are a template to place the Chicka Chicka Boom Boom tree. Pick your template – color or b & w.

Print up on white card stock.

If printing b & w, then have children color before they put their Chicka Chicka Boom Boom tree together.

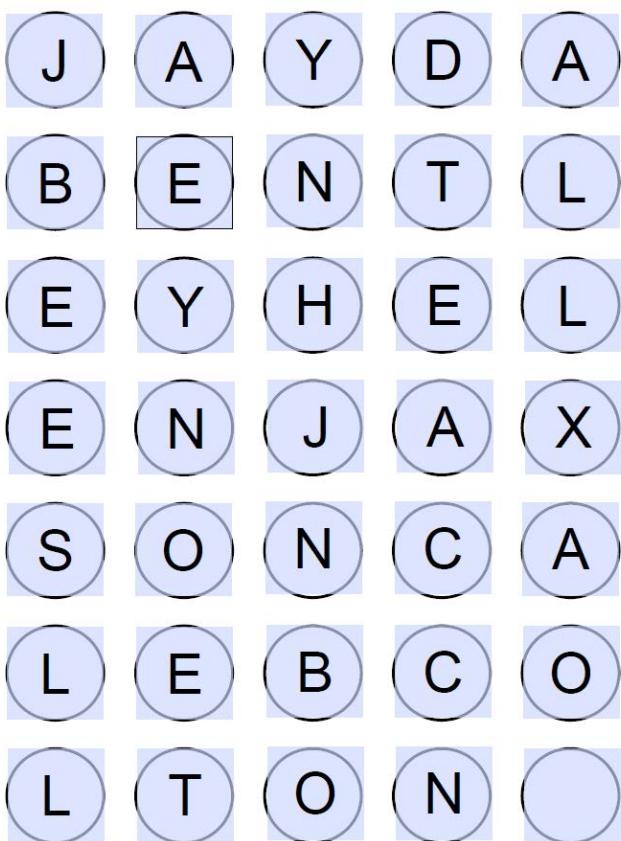

The following page is the circles for the letters of each child's name. You will print up the sheet onto white card stock and hand write each child's name - one letter per circle. (Use assorted colored markers to make the name of each child colorful).

You can also type directly into the circles. (Blue boxes). 1 letter of each child's name. Print up and cut out. Children will glue their name up the side of the Chicka Chicka Boom Boom tree.

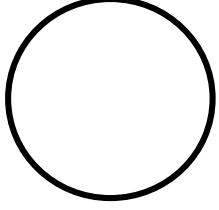

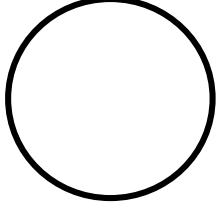

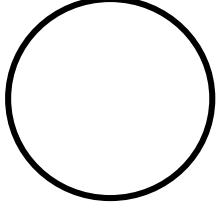

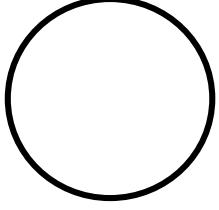

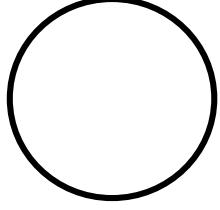

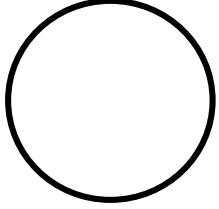

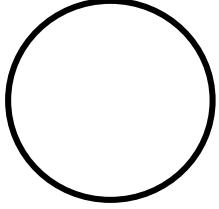

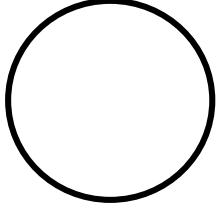

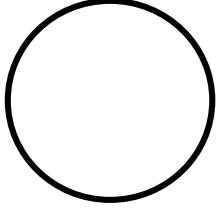

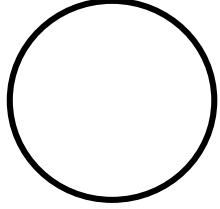

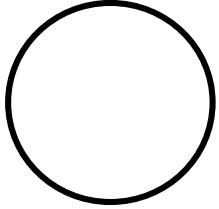

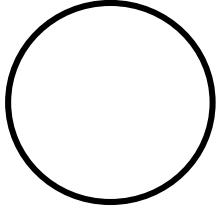

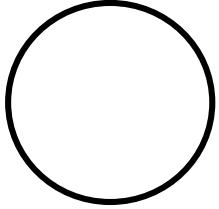

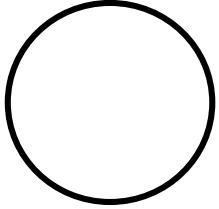

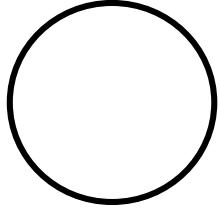

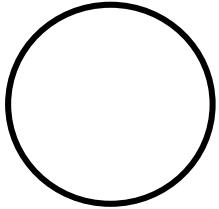

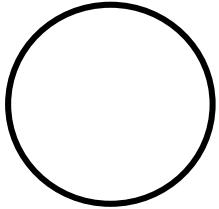

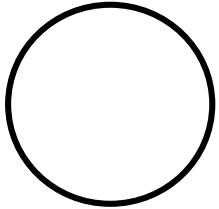

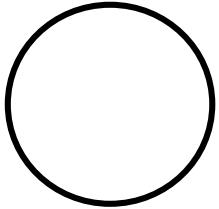

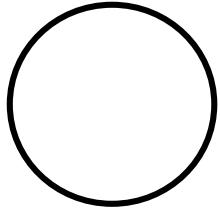

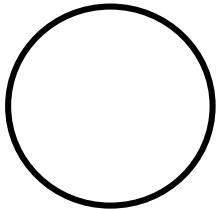

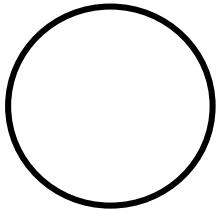

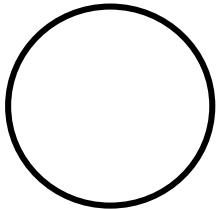

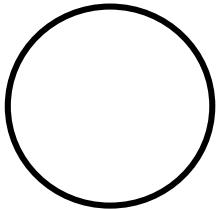

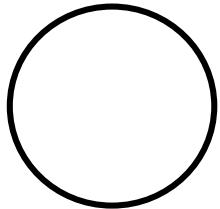

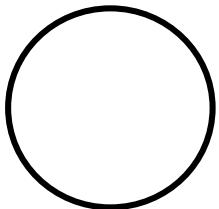

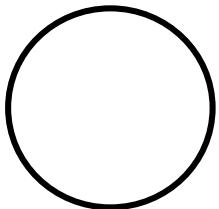

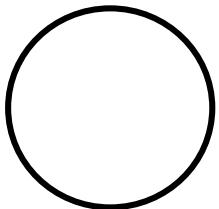

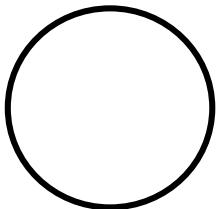

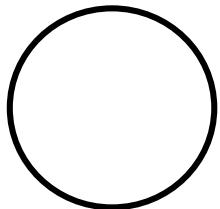

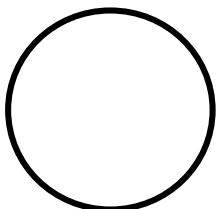

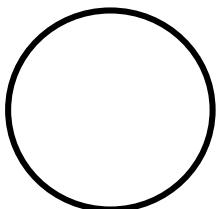

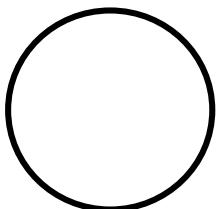

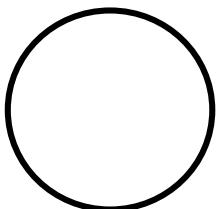

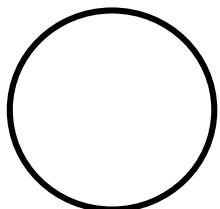

Additional idea: Once you have printed up the names, give each child their name and have them color each circle a different color.

Sample to the left shows the following names typed into each circle:

Jayda
Bentley
Helen
Jaxson
Caleb
Colton

Print up as many sheets as you need to cover all the children in your class or preschool.

Type in letters of each child's name – 1 letter per circle print up on white card stock.
