

Huizhou University

Prospectus for Chinese Language Students

(2017-2018 Academic Year)

Huizhou University is a comprehensive university administered by the Government of Guangdong Province, located in Huizhou, the national historical and cultural city with a reputation as "half city scenery and a half lake city". Huizhou is also a core city in the Pearl River Delta region, neighboring Daya Bay in the South China Sea to the south, and adjacent to Guangzhou, Dongguan, Shenzhen, and Hong Kong. It has a convenient transportation system.

The campus of Huizhou University is approximately 1.65 km² in its total area, including 383700m² of facilities, and 132300 m² of garden space. Its green coverage rate has reached 80%. Besides, Huizhou University currently offers 52 degree programs including Chinese Language and literature, International education of Chinese language, Business English, and so on, covering 10 subject categories such as Literature, Pedagogy, and Economics. Currently, Huizhou University has 16768 full-time undergraduates and junior college students, plus 11010 adult students. There is currently 1477 staff employed at the University, including 757 professional teachers, of which there are 103 professors and 248 associate professors, as well as 225 teachers with a doctorate degree and 472 holding a master's degree, and 351 teachers holding senior titles.

In recent years, Huizhou University has stepped up efforts to deliver internationalized education, and it has made remarkable achievements in this endeavor. At present, the University is establishing cooperative relationships and has begun intensive deliberations and negotiations with Student Exchanges, Teacher visits, and has embarked on joint Scientific Research programs and other projects with over ten institutions such as the University of Nebraska at Omaha, Northampton University, Capilano University, Sydney University of Science and Technology, Sapporo University in Hokkaido, and The National Technical University of Ukraine. In 2014, the University started Chinese Training and Chinese Culture Promotion Projects, moreover, it has accepted 4 groups of exchange students from Sapporo University, offering courses with the characteristics of Chinese traditional culture which include Comprehensive Chinese, Oral Chinese, Chinese Calligraphy and Chinese martial arts. What's more, since the four-year work on Chinese training courses began, it has won unanimous praise from both the teachers and students of Sapporo University, and the international cultural exchange activities have received good social responses from all walks of life in Huizhou.

In Huizhou University, you can not only enjoy the beautiful natural scenery and ancient Chinese traditional culture, but you can also feel the pulse of the times and the vigor of continual innovation. It can be an ideal way for you to learn both the Chinese language and the culture and China.

I
